

## DISEGNA<sup>®</sup> VENTILATED FACADE SYSTEM WARRANTY CERTIFICATE

This warranty covers any manufacturing **DEFECT IN DISEGNA<sup>®</sup> VENTILATED FACADE SYSTEM** such as **CORROSION, BREAKAGE, DECAY, CHIPPING OR DEFORMATION**, during a period of **15 YEARS**, from the date of purchase to expiration. The warranty shall be only effective if the installation has been used **DISEGNA<sup>®</sup>** accessories.

If a valid warranty claim is made during years ten (10) through fifteen (15) after the original purchase, recovery will be prorated. **DISEGNA<sup>®</sup>** may elect to replace the percentage listed below of decking boards or refunding the percentage listed below of purchase price.

Year of warranty claim	Percentage Recovery
10	80%
11	60%
12	40%
13	30%
14	20%
15	10%

Table 1.1.

This warranty shall not cover and **DISEGNA<sup>®</sup>** shall not be responsible for costs and expenses incurred with respect to the removal of affected decking board, the installation of replacement materials and freight.

## LIMITATIONS

This warranty **does not** cover:

- Physical damage, stains or marks (scratches, dents, tears falling objects or movement of heavy vehicles, etc.) arising from the misuse of the product.
- **CONDEPOLS, S.A.** will not cover the guarantee or be held liable for the use of BASTONE cross sections by **DISEGNA® VENTILATED FACADE SYSTEM** as structural elements, or for applications which are not recommended by the art standards for covering building façades and pergolas. Furthermore, the company will not be held liable for installations which do not comply with the Spanish Technical Building Code and/or are undertaken without prior structural analysis.
- **DISEGNA® VENTILATED FACADE SYSTEM** may undergo tonality changes. This variation is characteristic of the raw material used and can not be considered product defect. Therefore, it will not be cause of complaint.
- Any damage caused by the use, modification or any other treatment, which harms the **DISEGNA® VENTILATED FACADE SYSTEM** and has not been approved by the manufacturer.
- The using of any cleaning product, not recommended by the manufacturer's maintenance manual.
- Defects, caused by the decking coming into contact with extremely hot bodies (embers, cigarettes, chips, etc.).
- Damages caused by meteorological phenomena, such as flooding, hurricane, earthquake, lightning, etc.
